

COMFORT 200

Electric Operating Table

QUALITY AND STANDARD

- Comply with IEC 60601-2-46, IEC 60601-1, IEC 60601-1-2.
- ISO 13485 and ISO 9001 certified.
- Comply with MDR REGULATION 2017/745.

PRODUCT FEATURES

1

Ergonomic Design

- Multi-layer composite flexible memory mattress.
- Concave base design provides ample foot space.

2

Integrated Rigid-top Column

- Wrinkle-free design with anti-aging properties.
- Robust structural support ensures stability.

3

All-Electric Drive System

- Instead of hydraulic system, and without oil leakage, resulting in lower maintenance costs.

4

Battery Management System

- Support both AC and Dc power supply, meeting the power needs for one week of surgical operations.

Electric Brake & Silent Casters

- Optional electric brake system with one-touch-lock function.
- Equipped with 125mm medical-grade silent casters for smooth maneuverability and noise-free movement.

Intelligent Control System

- Dual independent control channels.
- Smart control with flexion, reverse flexion and one-touch reset.

Integrated Lumbar Bridge

- Precisely coordinate with flexion positioning to meet the requirements of renal and hepatic surgical procedures.

Electric Horizontal Movement (optional)

- The bed surface can be electrically shifted horizontally by 310mm.
- The bed panel is X-ray transparent.

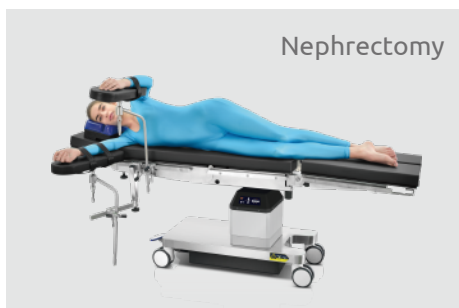

OVERVIEW

- A classic universal electric operating table with over 20 years in the market, exported to more than 40 countries worldwide.
- COMFORT 200 emphasizes cost-effectiveness, reliability, and mobility. Available in multiple models to meet diverse surgical requirements.
- COMFORT 200 is made of SUS 304 stainless steel, including base cover, column, table body, and various accessories, ensuring exceptional durability and meeting strict sterile environment control standards for surgical applications.

SURGICAL POSITION

- Diverse surgical positions with 300+ compatible accessories to meet various surgical requirements.

(Partial positions listed)

PARAMETER

Model	COMFORT 200
Length	2050mm
Width	520mm
Minimum height	650mm
Lifting	350mm
Trend. & Re.Trend.	30°
Tilt left/right	20°
Head plate	Up 70° Down 90°
Back plate	Up 80° Down 40°
Leg plate	Up 35° Down 90° Outwards 180°
Kidney bridge height	130mm
Longitudinal slide	310mm
Load capacity	220kg

Established in 2003, VG Medical, as a global leading valued brand, is specialized in field of OR and ICU, and offers the market with outstanding surgical lights, operating tables, medical ceiling pendant and digital integrated OR overall solution.

VG Medical adheres to the higher standard and practices the principle of quality first with our products feature being safe, effective and cost control centred. The motto "Feels so Good to Save" encourages us to continuously improve and innovate. VG Medical is now dedicated to the balancing of the industry monopoly and provide the world with better and cost worthy surgical products.
